POWER PACK FOR LASER® (EX2190)

Complete package with all necessary cleats, blocks and lines for cunningham and outhaul. The cleat- and blockplate can be easily fitted on the original mounting holes with the supplied screws. The combination of a 4 mm control line and 3 mm Dyneema line offers the best feeling and reduces friction on the 20 mm ball bearing blocks. Mast retainer included.

Package includes:

- Cleatplate complete
- Blockplate with 20 mm ball bearing fork blocks
- Clew hook with 20 mm ball bearing block
- 4 x mounting screws
- 4 x 20 mm ball bearing blocks
